# WHAT IS THE WELLBEING CENTRE?

The Wellbeing Centre is an online portal designed to help JRM people be the best they can be, whatever stage of their wellbeing journey, age or ability - start today for a healthier you.

## Visit the Wellbeing Centre for:

- Expert blogs
- How-to videos
- Healthy recipes
- Tools and financial planners

## Move

Move is here to help you with your physical wellbeing, specifically fitness. We've got hundreds of videos for you to choose from whatever your ability, or your fitness goal. Whether you want tips for the gym, a class at home, or inspiration for a new hobby, we have got something for you.

### TOP TIP

Exercise is just as important for your physical health as it is for your emotional wellbeing. Exercise has been shown to improve your mood and decrease feelings of depression, anxiety and stress.

## Munch

The Munch section of the Wellbeing Centre will give you plenty of ideas and tips for improving your nutritional intake to help you with a balanced diet! We've got a library of healthy recipes to try out, as well as nutritional tips and educational pieces to help you on the path of healthy eating.

### TOP TIP

Be sure to have lots of food containing high-fibre in your diet. Foods like breakfast cereal (bran, oats or wholegrain) may reduce the risk of heart disease, obesity and Type 2 diabetes.

## Mind

To help combat stress, anxiety, and other mental wellbeing issues, we've got the Mind section of the Wellbeing Centre where you can find mindfulness videos.

### TOP TIP

Too much stress can make us anxious, tense and can cause sleep problems. When you are tired, you are less patient and more easily agitated, which can further increase your stress levels

## Money

Our all new Money section has expert guides, tips and tools to help you manage your money better and improve your financial wellbeing.

### TOP TIP

Taking steps towards any financial goals should always start with a detailed and realistic budget. Keeping on track of your budget will help you to cut down unnecessary spend and put that money into emergency savings or towards your future.
